Lingering Summer Colds.

Don't let a cold run at this season. Summer colds are the hardest kind to cure and if neglected may linger along for months. A long siege like this will pull down the strongest constitution. One minute Cough Cure will break up the attack at once. Safe, sure, acts at once. Cures coughs, colds, croup, bronchitis, all throat and lung troubles. The children like it. W. E. Pelham & Son.

A Card of Thanks.

We desire to thank our neighbors and friends for their untiring kindnesses shown us during the illness and death of our dear little 13-month-old daughter. We assure them that their kindness will never be forgotten by us. We can only say that the good Lord will reward you in the time to come.
J. P. Cannon and wife.

A Sad Disappointment.

Ineffective liver medicine is a disappointment, but you don't want to purge, strain and break the glands of the stomach and bowels. DeWitt's Little Early Risers never disappoint. They cleanse the system of all poison and putrid matter and do so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure biliousness, torpid liver and prevent fever. W. E. Pelham & Son.

Miss McClintock Goes to Nashville.

Miss Mary Law McClintock has accepted the position of Lady Principal of Ward's Seminary, Nashville, Tenn., and left on last Friday to take up her work. This is one of the best institutions in this section, and we congratulate Miss Mary Law on the honor conferred.

Beware of the Kaffee.

No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom used. DeWitt's Witch Hazel Salve cures quickly and permanently. Unequalled for cuts, burns, bruises, wounds, skin diseases. Accept no counterfeits. "I was troubled with bleeding piles that I lost much blood and strength," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothes and heals. W. E. Pelham & Son.

Commissioners of Election.

The Governor has appointed the following commissioners of election for this county:

State—G. G. Sale, Newberry; B. B. Leitzey, Newberry; J. N. Feagle, Little Mountain.

Federal—Jno. W. Earhardt, Newberry; J. B. Derrick, Little Mountain; E. B. Martin, R. F. D., Newberry.

Take Care of the Stomach.

The man or woman whose digestion is perfect and whose stomach performs its very function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all of the nourishment in the food they eat. Rev. J. H. Holaday, of Holaday, Miss., writes: "Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians. Kodol saved my life. Take it after meals." W. E. Pelham & Son.

Still They Come.

The above is the title to the bold announcement on the first page of this paper, and it means something to the people of Newberry County. From year to year Minnaugh reaches out further to greater and higher achievements in the line of his business, and the fact of his success speaks beyond contradiction that it means bargains to the people who trade there. He has an enormous stock of goods and a most excellent and polite force of clerks to wait on his customers. A visit to his store and an inspection of his goods and prices, means a purchase on your part.

A New Stable.

Mr. A. L. Knighton has erected on Harrington street, a bran new, neat and convenient stable, and will at an early date begin a general feed and livery business. He can now accommodate those who want shelter and food for their stock. Mr. Knighton has had years of experience in the stock business and has fitted up quarters to do business in a businesslike manner. Some of his stock will come in a few days.

Women and Jewels.

Jewels, candy, flowers, soap—that is the order of a woman's preference. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boesche's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get this reliable remedy at W. E. Pelham & Son.

AWFUL FALL IN AN ELEVATOR SHAFT

George Bascomb Suber Dashes Down Eleven Stories, Grasping Cable—Died of His Injuries.

The following report of an awful accident to a Newberry boy, resulting in his death, is taken from the Atlanta Journal of the 19th. Mr. Suber is a native of this county, and has many relatives and friends here who deeply sympathize with his bereaved widow and little one.

George Bascomb Suber, an elevator man of the Empire building, had a slide for life for eleven floors down the cable of the freight elevator of that building today at noon, and was so severely injured that fears for his recovery are entertained.

He is now at the Grady hospital, having been taken there after he had been temporarily operated upon by Dr. J. C. White and Dr. J. P. Rosser.

Suber is formerly from Stone Mountain, Ga., where his wife and child live. He was a farmer. He is twenty-five years of age and is the step-son of John F. Smith, one of the employees of the Empire building.

Suber is a new man at the elevator, having only yesterday been given a position. He was put upon the freight elevator.

Today he was hauling freight between the floors. At the eleventh floor he stopped his car and when he started it again operated it from the outside, as the car may be easily operated by the rope on the top as by the handle on the inside. The car was going down.

He was leaning through the elevator shaft looking down at the car.

His foot slipped and he shot downward in the shaft.

Suber reached for the steel cable and gripped it, but could not stop its flight, and for eleven floors his body followed the car. When the car stopped automatically at the bottom floor Suber fell heavily and was wedged between the car and the grating of the shaft.

That is the story as he told it himself while in a semi-conscious condition directly after the accident while the physicians were operating upon him.

The young man displayed considerable fortitude while the stitches were being taken in his groin by the physicians and while the operation was being performed.

George Bascomb Suber, the elevator man in the Empire building who was injured yesterday about noon by being crushed between the top of his elevator and the eleventh floor, died last night at 6 o'clock at the Grady hospital.

The hospital authorities made every effort to save the young man's life, but it was a hopeless case from the start. His injuries were of a most serious order, and it is rather remarkable that he should have lived six hours after the accident.

Suber was 25 years of age. He was married last December to the daughter of John M. Smith, who is employed in the Empire. Suber came to Atlanta from Stone Mountain.

In the Empire saloon a subscription has been started for the benefit of his wife and little three-weeks-old baby. The wife is entirely without means of support.

THE GRADED SCHOOLS.

At the Factory school, Misses Laura Bleas and Bernice Martin teachers, 82 pupils were enrolled.

The total enrolment at the Hoge school, colored, R. W. Mance, Irene Snowden, Amanda Neel and A. C. Lowery teachers, was 194.

Branched Adams.

Mr. C. G. Bleas and Miss Minnie Adams, daughter of Mr. John Adams, all of this city, were married by Rev. W. L. Seabrook at the home of Magistrate J. H. Chappell, on last Friday night. The Herald and News extends congratulations.

At the Opera House.

A new musical farce comedy entitled "The Lonely Widow" will be presented at the opera house tonight, and from the flattering endorsements this company have received wherever they have played, the theatre-going public will have the opportunity of witnessing one of the newest, brightest and cleanest farce comedies of the season. The company carries its own scenery, lights and calcium effects, and is composed of twenty members, each one of whom has been specially selected for his or her part. Among the artists of note with the company this season are James Mackin and Joe Vance, two celebrated Irish comedians; Master Commodore, the youngest buck and wing dancer on the American stage; Mlle. Francine and Baby Blossom in a wonderful fire and serpent dance; and Miriam Wolfe in a special contortion act. The play is said to go with a vim and dash. Seats now on sale at Mayes' Book Store.

STILL BETTER MINSTRELS.

The Barlow Minstrels Astonished a Large Audience in Spartanburg.

The Barlow minstrels have been coming to Spartanburg for years, each year with a better entertainment, which explains their large audience on last evening, but nobody expected to see such a novel and magnificent show as was given for two hours and a half. Commencing with a most gorgeous first part, introducing none but splendid voices and new songs and bright jokes, there were no stale features, no smutty jokes, nothing to displease, everything to delight. It is safe to say that a better ensemble of minstrel acts was never before seen in this city.

The orchestra was good, of course. Lew Baldwin caught and held the crowd with his witticisms, the cock of his eye being enough to start roars of laughter; then among the star features of the olio were Carl Charles, hand balancer; who gave a marvelous performance, followed by one of the most original of minstrel acts ever put on. The show closed with the Kates Bros' aerial ring act, as fine as was ever put on.—Spartanburg Herald, Sept. 19.

At the Newberry Opera House next Friday night. Prices 25, 50 and 75c. Tickets on sale at Mayes' Book Store.
